ORDER:

In the reference read above, the Engineer-in-Chief (R&B), State Roads, Hyderabad has stated that the Link Road connecting NH 9 to NH 5 through Indrakiladri Tunnel is an important State High Way in Krishna District and it is in the heart of Vijayawada city. Heavy vehicular traffic is plying on this Road and this road acts as a link road for Vijayawada one town and two town and also this road is useful as Bye pass Road for NH9 traffic during Dasara Festival and other important occasions. The carriageway width of existing road is 7.0 m and it is insufficient to cater the needs of vehicular traffic and also this road gets under prominence after completion of ROB at Milk factory. Hence it is proposed to widen the existing carriage way to Four Lane Road i.e. 7.0 m on each side to the Central Divider of 0.45 m width., The widening is proposed from drain to drain to avoid the traffic interruptions from Km 2.840 to tunnel entrance (3.120). The proposed crust is 675 mm as against 675 mm as per crust Design, IRC 37-2001. The CVPD of the road is 8338 and CBR value is 6%. The WMM with 150 mm thick is proposed on existing carriage way as the road is damaged and also to bring in to the one side camber for each lane duly avoiding the camber correction etc. In Km 0/2 there exists a Minor Bridge (2 vents of 4m span) of 7.50m carriage way width with foot paths. Since the road is proposed for 4 lane with a divider, the estimate provision for construction of minor bridge (2 v of 4 m span) of 7.50 m carriage way with foot paths is provided adjacent to the existing bridge. In km 0/2 there exists another RCC slab culvert (1 vents of 2 m span) where in the widening is proposed for existing pipe culvert to accommodate to 4 lane road.

2. The Engineer –in - Chief(R&B) State Roads, Hyderabad, while submitting the proposal for the subject work has certified that stage-1 approval is not required as detailed investigation is completed, designs are finalized. No land acquisition is required for taking up the subject work. He has, therefore, requested to accord Administrative Sanction for the work "Widening and Strengthening link road connecting NH.9 to Nh.5 through Indrakeeladri tunnel from Km 0/0 to 5/440 in Krishna District" for Rs. 785.00 lakhs under Plan SH scheme for the year 2012-2013.

3. Government after careful examination of the proposal of Engineer-in-Chief(R&B) State Roads, Hyderabad, hereby accord administrative sanction for an amount of Rs.785.00 Lakhs (Rupees seven hundred and eight five Lakhs only) for the work "Widening and Strengthening link road connecting NH.9 to NH.5 through Indrakeeladri tunnel from Km 0/0 to 5/440 in Krishna District" under Plan SH scheme for the year 2012-2013.

(P.T.O)

4. The expenditure sanctioned in Para (3) above shall be debited to the Head of Account: 5054 – C.O.L on Roads & Bridges, 04 – District and Other Roads, MH – 800 – Other Expenditure, GH-11 – Normal State Plan, SH (08) – State Highways, 530 – Major Works, 531 – Other Expenditure.
5. The Engineer-in-Chief (R&B), State Roads, Hyderabad, shall take further action accordingly.
6. This order issues with the concurrence of Finance (Expr.PW) Dept vide their U.O.No.22591/1027/A2/Exp.Pw/12, dated: 27-08-2012.

(BY ORDER AND IN THE NAME OF GOVERNOR OF ANDHRA PRADESH)
